

Color the Picture with Words

© 2020 Captain Joe and Brenda Henderson

1. On the back of this paper, draw a picture that includes a flower with a stem and leaves, a bird, clouds in the sky, and, of course...an airplane. Don't color it until you read the next instructions!

2. Now, use your words from the sentences below to help you choose which colors to use when you color your drawing.

The flower was as _____ as _____.
(color) (another object)

The _____ of the stem and leaves reminded me of _____.
(color) (another object)

The bird was _____, which is also the color of _____.
(color) (another object)

The _____ clouds in the sky made me think of _____.
(color) (another object)

The _____ of the airplane made it look like _____.
(color) (another object)

Before our next writing lesson, write a story that includes the following:

- ✓ At least two colors
- ✓ At least one person
- ✓ At least one animal
- ✓ And (of course!) at least one airplane

Your story may be make-believe (fiction), a journal entry (diary), a report (nonfiction, like a reporter/journalist would write), or any combination of these.

Please have an adult e-mail your story to: petalsfromthebasket@gmail.com
no later than 8:00 a.m., EST, 4/2/2020.
